

Prescription Fulfillment Overview

Use this resource when fulfilling prescriptions for OFEV® (nintedanib) to help ensure your appropriate patients receive their medication in a timely manner.

An OFEV capsules prescription can be started in 2 ways

Paper based

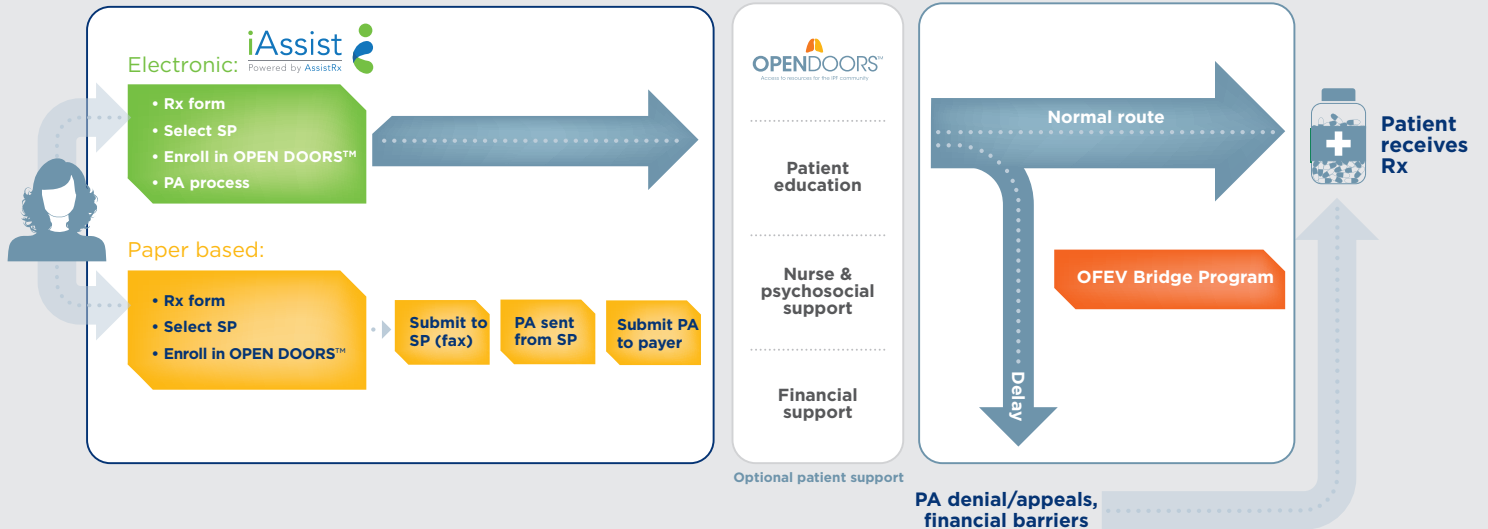

- Obtain forms for the prescription, prior authorization (PA), or OPEN DOORS™ patient support enrollment by visiting www.OFEV.com/hcp, or by speaking to your Boehringer Ingelheim (BI) Reimbursement and Access Associate Director (RAAD) or Sales Consultant
- Fax the appropriate paperwork to select Specialty Pharmacies (SPs) and call to confirm that all forms have been received

Electronic

- Create an account with iAssist—an electronic portal for submitting prescriptions that may help save time over faxed, paper-based submissions
- iAssist also has the capability to initiate PAs and OPEN DOORS™ patient support enrollment

Benefit Verification, PA Process, and Patient Support Enrollment

Fulfillment process reminders

- 1 Complete PA forms in a timely manner, answer all questions, and submit the PA to the patient's insurance plan
- 2 Contact the SP if you do not hear back after a submission

Access and reimbursement assistance for you and your office staff

Contact a BI RAAD if you or your office staff require assistance throughout the fulfillment process

Your RAAD can provide help in person, by phone, or by e-mail. RAADs can:
